## **What is the James Valley Library Foundation and what is its goal?**

A growing community needs a growing library. The Foundation was in-corporated in 2006 to help the then Alfred Dickey Library develop and better serve the community.

In 2008, the electorate of Stutsman County voted to merge the city Alfred Dickey Library with the Stutsman County Library and the James River Valley Library System was born.

We in turn changed our name but our mission remains the same: To work with the library staff to improve the facilities, equipment and services. Our goal is to make the library and its services as complete, convenient and up-to-date as possible for everyone who makes use of our facilities.

## **Who manages the James Valley Library Foundation?**

A local Board of Directors manages the Foundation. It is made up of seven members from the City of Jamestown and Stutsman County. At least one of the members of the Foundation Board of Directors must also be a member of the Board of Directors of the James River Valley Library System.

## **Who may donate to the foundation?**

Any person or organization can donate to the Foundation. A basic membership entitles the person or representative of an organization to a one year membership in the Foundation and to a vote at the Foundation's Annual Meeting.
